

# H40 Compact

Compact panel heater with Wi-Fi

H40 Compact is a compact version of one of our best-sellers. It comes in six wattage sizes, from 500 up to 2500W, and as a panel (height: 420 mm). It has a timeless and functional design that fits into any room in the home. You can choose between two colours, white or Sparkling Grey. H40 Compact comes with several different thermostats, including a Wi-Fi thermostat (WT) which can be controlled with the Glamox Heating Wi-Fi app.

- Choose between several different thermostats.
- Produced using 100% sustainable electricity.
- Stylish, classic panel heater.
- White or Sparkling Grey.
- Connect easily to your Wi-Fi router at home, at the office, or at your cabin.
- Splashproof (IP24), double insulated and overheating protection.
- Approved according to the Ecodesign 2018 regulations.
- 5 years warranty

**H40 Compact: Height 420 mm, depth 87 mm**
